Tech Prep

The Steering Committee for Tech Prep at ISD has formed. The following staff members will be brainstorming and planning how Tech Prep can match ISD High School/Vocational students' needs.

Administration	Linda Lloyd
Guidance Counseling *(until position is filled)*	Dan Stutler
Science	Teresa Huckleberry
Mathematics	Eric Mansfield
Technology	Ron Borron, Steve Broaddus, & Robert Wilson
Business	Susan Hocker
English	Judy Reynolds
ASL	David Geeslin
Curriculum	Rachel Stone

As this group begins to formula a plan for Tech Prep, staff members from other departments will be added to write specific curriculums. If you have questions, please address them to Dan Stutler, extension 152 TTY/Voice.

New Employee Info

ISD Yearbook students will interview new employees in the next few weeks. As the interviews are finished the CB will publish the resulting articles. Faces, names and backgrounds will follow over the next few weeks. Stay tuned...

Calendar Update

The master calendar project needs some time to become technically operational. Last week's CB included a partial calendar. VIC apologizes for its brevity. All attempts will be made to get the master calendar "up and running."

Congratulations

ISD high school student Joanna Charpentier was selected as an All Star this summer at cheerleading camp. This honor qualifies Joanna to march in the annual Christmas Parade in England. Joanna attended camp on her own. Her motivation and effort are to be commended. Joanna's family is raising money to make her trip to England possible. If you would like to contribute to Joanna's efforts, please send your donations to:

Welcome

ISD's Education Team welcomes Donna Moore and Scott Smith to ISD. Both will serve as substitute teachers and will report to the Learning Resource Center.

Registration

The dust from the State Fair has settled and ISD has begun another busy and productive year. Superintendent Laird appreciates the efforts of the many ISD staff members who helped make this year's registration the smoothest yet.

From the first form filled and filed to the last delicious chicken sandwich snatched, the day was brought together beautifully through the efforts of many - GREAT JOB! ISD hopes that the day was pleasurable for all who attended.

Please forward feedback to VIC (317) 924-8418 TTY/Voice.

BIBI Thought for the Week:

"All truth passes through three stages. First it is ridiculed. Second it is violently opposed. Third it is accepted as being self evident.

Schopenhauer (*suggested by Donna Boucher, former ISD Interpreting Coordinator*)

The ISD Campus Bulletin is published weekly during the school year.

Note

Teacher's employment files, formerly in the Principal's Office, are now located in the personnel office.

Student files, previously kept in the Principal's Office, are now maintained and housed in FSS.

(These arrangements comply with DOE and NCA standards)

'93 POC

Twenty families attended ISD's Parent Orientation Conference '93. Highlights of the conference included the keynote address delivered by Superintendent Eddy Laird and Family Resource Center Director Chris Fetzer and panel discussions involving the perspectives of "experienced" ISD parents and the Deaf community. Fun-filled activities for students and siblings (including a pizza party and movies) were coordinated by the student Development Center.

Special recognition and thanks goes to staff from Family and Student Services, Student Life, Education, and Business and Operations for their diligent efforts to ensure the success of this conference!

Transition News

'93-'94 Goals

On Wednesday, August 18, Superintendent Laird explained the school's organizational structure and introduced the directors of the various departments or "centers" at ISD at a school-wide meeting. Directors then gave two goals for their programs.

A summary of this meeting, including a list of these goals for '93-'94, has been completed. It will be posted on each of the eight VIC bulletin boards across campus as soon as the boards are installed. The summaries will also appear in the forthcoming ISD Parent Newsletter and will be routed to all staff through supervisors and department heads. You can obtain your own copy of the summary from VIC.

"Transitions" Column in the Hoosier

With all the changes at ISD do you feel like you have lost something? Do you feel awkward and unprepared to work in a BIBI school? Are you ready to begin BIBI programs but can't understand why some people are hesitant?

All of these feelings are the natural consequences of TRANSITION. TRANSITION is the set of emotions and psychological responses to change. When we begin to understand TRANSITION, we can adapt to changes more effectively.

This October, the Hoosier will start a "TRANSITIONS" column. Readers are encouraged to send in questions about ISD's transition and those questions will be discussed in the column.

Please send your questions (on video or in writing) to:

Ann Titus, Transition Consultant
Indiana School for the Deaf
1200 East 42 Street
Indianapolis, IN 46205

"Communication Issues on Campus" Report Now Available

In early 1992, educational staff, curriculum staff, clinical services staff and selected dormitory staff held a series of meetings. Those meetings were designed to provide everyone with the opportunity to discuss issues related to communicating with one another outside of the classroom. A report of the meetings was submitted to Superintendent Laird and has recently been finalized. Copies of the report are available through VIC.

Sports News

The following coaching positions (with stipends) are currently vacant:

- Middle School Cheerleading
- High School Cheerleading
- Middle School Girls Asst. Basketball
- High School Wrestling
- Middle School Girls Swimming

If you are interested in one of these positions, please contact Dan Fitzpatrick - Non-ISD staff members are also encouraged to apply.

Clinic a First

On June 20-26, 1993, ISD hosted a volleyball clinic for the first time. Gallaudet University sponsored the clinic. Head Coach Peg Worthington and Assistant Coach Luanna Ward were sent by Gallaudet to conduct the event. Both coached the USA Deaf Olympic Girls' Volleyball Team in Bulgaria this summer. They brought four Olympians to the clinic with them.

Twelve middle school girls attended the volleyball clinic for the first two days. The coaches worked with these girls on basic skills of the game. For the remainder of the week, 3 girls from the Missouri Deaf School and 3 from the Wisconsin Deaf School joined 9 girls from ISD to work on strategy drills to help improve team play. ISD's girls were highly motivated and received T-shirts and water bottles provided by Gallaudet.

Ward has accepted a position at the Iowa School for the Deaf. She plans to host the clinic there next year with Peg and hopes that our girls will be able to attend.

F.Y.I.

Our high school cross country program has been terminated due to insufficient numbers to make a team.

Information regarding athletic events season tickets and the Booster Club will be in next week's CB.

On September 11, there will be a girls' volleyball match against the Illinois Deaf School at 9:30 am. High School Football will be at 2:00 pm. Admission to each event will be $3.00.

The US. Olympians won the gold medal last month. ISD is proud of them!

STATE EMPLOYEES' APPEALS COMMISSION POLICY STATEMENT

This is a policy statement by the State Employees' Appeals Commission concerning harassment and/or intimidation of witnesses who are subpoenaed or requested to testify before the State Employees' Appeals Commission and employees who are requested to represent fellow employees or their employer, agency, or institution during the grievance procedure.

It is the purpose of the grievance procedures for state employees to provide a fair and impartial forum for the resolution of employment-related grievances. This purpose is thwarted by actions which harass or intimidate persons who are subpoenaed or requested to testify or to provide other evidence or to assist a party in pursuing or responding to an appeal in proceedings before the State Employees' Appeals Commission or its hearing officers.

Persons who have been subpoenaed or requested to testify to bring documents to a SEAC hearing or other proceeding, or who have been asked to assist or represent a party in pursuing or responding to an appeal, shall not be threatened with or subjected to adverse personal or employment consequences related to their appearance at or testimony for such hearings and related proceedings. This prohibition applies before, during, and after evidentiary hearings or other proceedings related to the grievance procedure.

Allegations of intimidation or harassment of witnesses, or representatives should be submitted pursuant to the provisions of IC 4-15-2-35 in the same manner as are all other grievances.

Post Milan Conference — ASL and English Literacy
This outstanding conference is being offered at Gallaudet University on October 20 -22, 1993. Some of the topics that will be discussed are:

- ✦ Issues/Research in First and Second Language Learning
- ✦ ASL and English Literacy: Issues and Trends
- ✦ Literacy: Relationship between Culture and Language
- ✦ Teaching English through ASL Visual Literacy
- ✦ Achieving ASL/English Literacy through Programming

These are he topics you have been begging for – now is your chance to get more information on them. Registration for this conference is $135 prior to October 1, 1993. After that date it will cost $165. In order to help defray costs, we have been given permission to use one of the school vans or a bus if we have enough people interested in attending this major event.

Please contact Mary Alice Moon as soon as possible if you are interested in attending the conference.

Plan Ahead
Are you thinking about attending a meeting out of state? If the answer to this question is yes, plan ahead. All requests for out of state travel, must be turned in 35 days in advance of the trip. Without that amount of lead time, the request may be denied!

Do you know an OUTSTANDING Teacher?
A fellowship program in honor of the late Sharon Christa McAuliffe, the teacher who served as an astronaut on the Challenger Space shuttle has been established for outstanding full-time teachers. If you know of someone who might qualify, see one of the Supervising Teachers for details or contact the Staff Development office.

ISSUES IN LANGUAGE AND DEAFNESS CONFERENCE
The theme for this conference is "Deafness and Diversity: Social Linguistic Issues." This conference is being held in Omaha, Nebraska on October 9 - 10, 1993 at the Holiday Inn Old Mill. Registration fee is $110.

ED-MED CONFERENCE
The fifth annual conference will be held October 21 - 22, 1993 at the Indianapolis Convention Center. The first day the conference will focus on ED- MED topics and the second will focus on ED-PSYCH topics. The registration fee is $30 for one day and $50 for both days. The deadline is October 8, 1993.

IN-TASH V
The theme for this conference is "Building Lifelong Community Connections." It will be held October 7 - 8, 1993 at the Omni Hotel from 8 am - 4:30 pm. Registration for members is $80 for two days and $50 for one day. Non-members must pay $95 for two days and $65 for one day. The deadline is September 24, 1993.
